**Attachments:**

**Severity:** Trivial

**Description**

**Preconditions:**

1. The site is opened - <https://itqc.ru/>

**Steps to reproduce:**

1. Change the scale to 1024x620px.
2. Pay attention to the buttons of the navigation bar.

**Expected result:**

1. All buttons of the navigation bar are transformed into icons.

Actual result:

1. The button "Краудтестинг" overlap on the animated picture.
